Academy Mission Statement

Together We Are Stronger

Aim

The aim of this policy is to set out what charges will be levied for activities, what remissions will be implemented and the circumstances under which voluntary contributions will be requested from parents/carers.

Activities for which charges cannot be made

The Local Governing Board recognises that legislation prohibits charges for the following:

- Education provided during academy hours (including the supply of any materials, books, instruments or other equipment).

- Education provided outside academy hours, if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the student is being prepared for at the academy, or part of religious education.
- Tuition for students learning to play musical instruments, if the tuition is required as part of the National Curriculum, or part of a syllabus for a prescribed public examination that the student is being prepared for at the academy.
- Entry for a prescribed public examination, if the student has been prepared for it at the academy.
- Education provided on any trip that takes place during academy hours that is part of the National Curriculum or an examination course.
- Education provided on any trip that takes place outside academy hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the student is being prepared for at the academy, or part of religious education.
- Supply teachers to cover those teachers who are absent from the academy accompanying students on National Curriculum or examination courses.
- Transporting registered students to or from the academy premises, where in the past, the local education authority has had a statutory obligation to provide transport.
- Transporting registered students to other premises where the Local Governing Board or in the past, the local education authority has arranged for students to be educated.
- Transport that enables a student to meet an examination requirement when he or she has been prepared for that examination at the academy.

Activities for which charges may be made

The Local Governing Board and Principal will consider asking parents/carers to meet the costs of the activities detailed below. The charges will be made after consultation with parents/carers, will not exceed the cost of the provision and will be proportional for each student. Lessons / activities will not be confirmed until parental/carers agreement has been received, ideally by return of a signed reply slip.

The academy will make every effort to ensure that all information clearly defines costs and activities as simply and clearly as possible and is communicated well in advance, to enable families to plan for these charges.

Remissions

As far as its resources allow, the academy will support students and their families to participate in the full range of activities which will be offered as part of the curricular and extra-curricular provision, where a voluntary parental contribution may be necessary, for any activity to be financially viable. This applies particularly to those students whose families receive support payments, such as those detailed below. While each case for support will be reviewed sympathetically, and in full confidence, the academy itself has only limited resources at its disposal, and will seek to use these resources prudently to affect the greatest number of its students.

Students whose parents/carers are in receipt of the following support payments will, on addition to having a free academy lunch entitlement, also be entitled to apply to the academy for some remission of charges for board and lodging costs during residential and other academy trips.

The relevant support payments are:

- Income Support
- Income Based Jobseeker's Allowance
- Support under Part VI of the Immigration and Asylum Act 1998
- Child Tax Credit, where the parent/carer is not entitled to Working Tax Credit and whose annual income (as assessed by the Inland Revenue) does not exceed £15,860 for 2010-2011 (in respect of this item, account will need to be taken of any revision to the amount)
- Guarantee element of State Pension Credit

All letters to parents/carers regarding activities which request a parental/carer contribution will include a statement inviting those parents/carers receiving any of the benefits above to contact the academy in confidence if they would like their child / children to participate, giving details of the relevant benefit, so if necessary the academy can confirm this.

Voluntary Contributions

The Principal may ask parents/carers for a voluntary contribution to support academy activities.

The terms of any request made to parents/carers will specify that it is a voluntary contribution and in no way represents a charge. In addition the following will be made clear to parents/carers:

- a) That the contribution is genuinely voluntary and a parent/carer is under no obligation to pay.
- b) That students at the academy will not be treated differently whether or not their parents/carers have made any contribution in response to the request.
- c) The activity may not take place if insufficient contributions are made.

The responsibility for determining the level of voluntary contribution will be delegated to either the academy's business manager or SPTA's Director of Finance, under the direction of the Principal.

The sponsor has a Foundation Fund which the academy may be able to access, to support its voluntary activities

Lettings

The academy will make its facilities available to outside users and the community at a charge of at least the cost of providing the facilities. The scale of charges will be determined annually by the Finance Committee. For users connected to the academy, the charge will be based on the site staff overtime costs.

All potential academy users will be made aware on application that they will be expected to use the academy in accordance with the ethos of the sponsor, partners and the academy.

Other charges

The Principal, SPTA, the academy Finance Committee or Local Governing Board may levy charges for miscellaneous services up to the cost of providing such services e.g. for providing a copy of an OFSTED report.

Academy Meals

The Local Governing Board will determine and publish annually the price to be charged for academy meals.

Monitoring and Review

The Finance and Facilities Manager is responsible for monitoring all aspects of this policy. An annual written report will be made to the Governing Board, giving precise figures around charges and parental/carer contributions.
