Strand Primary Academy Mission Statement

Together We Are Stronger

Introduction

Strand Primary Academy expects every student and member of staff to achieve the highest standards they are capable of, in every sphere of academy life. High standards of personal presentation and correct wearing of uniform are important and make significant contribution to the ethos of the academy. Personal presentation includes suitable haircuts and hairstyles, as well as correctly wearing the uniform, make-up and jewellery. Any queries or advice about these matters should be directed to the leadership team, in the first instance.

Staff Clothing

During normal academy working time, all colleagues are expected to wear clothes which reflect the high standards of the academy and their professional duties. Colleagues who are likely to meet or work with students, parents or other professionals are expected to dress smartly. All colleagues are requested to wear business style clothing unless engaged in practical subject delivery; this guidance specifically excludes jeans and tee shirts. Site support staff such as technicians and site maintenance colleagues will be provided with Academy branded shirts and

sweatshirts to enable clear identification in line with good practice regarding student safeguarding.

Students' Uniform

The academy uniform has been designed in consultation with students and staff. The academy strongly encourages each student to take a personal pride in their appearance and will, as part of PSHE discuss the importance of personal appearance with them. The academy uniform has been designed to be smart, practical and comfortable. Staff are expected to check uniform as students enter and leave classes and equally, as they move around school. **Make-up (including nail varnish) is not to be worn.**

Uniform Issues

Students will not be allowed to remain in the academy if they are not in full academy uniform. At the discretion of the Principal, parents/carers will be contacted and students will either be sent home to return in the correct uniform, or await collection by their parent or carer. When this is the case, absences will be classed as unauthorised and, therefore, subject to the processes to ensure good attendance and punctuality.

We do, however, recognise that there may be emergency situations when there are difficulties with uniform. If a problem is notified to the academy in advance, a stock of clean uniform will be available for students to wear, this will include appropriate shoes.

Review and monitoring of this policy and procedures

The designated member of the leadership team is responsible for the monitoring and reviewing this policy. A written report on this policy will be made annually to Governors by this person.
